

The Pennsylvania Medical Society (PAMED) has awarded CME credit to the NAME 58th Annual Meeting. To obtain a CME certificate (physicians) or Participation certificate (other clinicians), please use the appropriate link provided below to view and complete the short online “CME Evaluation” course which is available through PAMED’s learning management system.

Step 1

You will need to create an account for the PAMED website. Go to www.pamedsoc.org/Login and choose the **Create an Account** button or login if you have an existing PAMED account. Anyone can create a free account with PAMED. The information required to create an account includes first and last names, date of birth, and an email address (cannot be a shared email address – each learner profile must have a distinct email address on record). All other fields are optional and may be disregarded if not applicable to you.

Step 2

Once you have created your account and are logged into the PAMED website, please click on the applicable link below (onsite vs virtual attendee). You will be directed to the appropriate CME Evaluation course. A CME certificate and participation certificate will be automatically emailed to you after you have completed all of the steps.
