- ✚ Enjoy a faculty appointment to the University of Incarnate Word with opportunities to teach medical students and residents.

**Depending on Experience*

DESCRIPTION

This position is responsible for the investigation or supervision of investigation for all types of deaths. Performs medico-legal investigations, autopsies, and examinations, and orders analytical testing to determine accurate cause and manner of death, including investigation within the jurisdiction of the Webb County Medical Examiner in accordance with Articles 49.0 and 49.25, Texas Code of Criminal Procedure, Texas Family Code, and the Texas Health and Safety Codes, including those cases contracted with other counties outside of Webb.

DUTIES

- Conducts post-mortem examinations to determine cause and manner of death.
- Orders appropriate analytical testing.
- Collects specimens and evidentiary materials and requests testing.
- Dictates findings upon completion of post-mortem examinations.
- Prepares written opinion reports regarding case findings, including the interpretation and findings.
- Signs official death certificate.
- Promptly reviews and signs Medical Examiner reports.
- Responds to scenes when necessary or requested.
- Assists in the recovery of decedents.
- Provides family conferences in person and by telephone to family members of the deceased to increase the level of understanding of causes of death, manner of death, physiologic and psychological mechanisms involved.
- Responsible for assisting with the review of all medical investigator reports to ensure accuracy.
- Provides expert forensic pathology witness testimony in Local and State court proceedings to include testimony in out-of-county autopsy cases.
- Confers with attorneys, law enforcement, physicians, family members, and the general public, as required.
- Performs related duties as assigned by the Chief Medical Examiner.

QUALIFICATIONS

- Licensed to practice medicine as a medical doctor in the State of Texas, issued by the Texas Medical Board.
- Completion of an accredited fellowship in forensic pathology.
- Board certification in Anatomic/Clinical or Anatomic Pathology by the American Board of Pathology or the Board of Osteopathy.
- Board eligible/certified in Forensic Pathology by the American Board of Pathology or Board of Osteopathy.
