---	---

The Office of Chief Medical Examiner investigates cases of persons who die within New York City from criminal violence, by accident, by suicide, suddenly when in apparent health, when unattended by a physician, in a correctional facility or in any suspicious or unusual manner or where an application is made pursuant to law for a permit to cremate a body of a person.

Our core purpose is to protect public health and serve impartial justice through forensic science and medicine. We exist to provide answers in support of families and communities during times of profound need.

The core values of **CARES** guide our work for communities and inform our behavior toward each other and all those we serve.

- **Commitment:** Dedicated to the mission at all times
- **Accountability:** Responsible to each other and the community
- **Resilience:** Adapt in the face of adversity
- **Excellence:** Achieve and maintain the highest quality
- **Service:** Innovate to meet evolving needs

JOB DESCRIPTION

Under administrative direction, and with wide latitude for the exercise of independent initiative and judgment, they will perform difficult and complex assignments and investigations which include cases of suspicious death and those deaths resulting from criminal violence. A City Medical Examiner II is responsible for confidential investigations and will supervise the work of City Medical Examiners I. Duties include but are not limited to:

- Orders the body to the Medical Examiner's Office for autopsy or other purposes indicated by circumstances.
- Performs autopsies when indicated.
- Carries out necessary histological examinations of tissues and other microscopic examinations.
- Selects organs and tissues for toxicological examinations and materials for serologic examinations.
- Prepares reports on the results of investigations and examinations, and promptly files the reports in the Office of Chief Medical Examiner.
- Certifies the cause of sudden deaths, unexpected deaths and deaths resulting from violence; certifies such causes on the basis of the complete findings of the postmortem and related examinations.
- Certifies the cause of death in such complex and sensitive cases when greater discretion, judgment and expertise are required.
- Reports the findings of deaths reported to the Office of Chief Medical Examiner to proper official agencies as required by applicable law.
- Investigates applications for cremation.
- Testifies before grand juries and in court as an official of the Office of Chief Medical Examiner.

Please note that only candidates selected for interview will be contacted for this position.
