

FORENSIC PATHOLOGIST
\$165,000 – 197,445

The Westchester County Department of Laboratories and Research has immediate full time opening for an Associate Forensic Pathologist. The successful candidates may assist in the overall operation and administration of the Medical Examiner's Office, located in Valhalla, NY. Supervision is exercised over a number of employees in the department, including residents, medical students and nurses in the training program. This position may serve in the capacity of Medical Examiner.

In 1991 the Westchester County Forensic Science Laboratory became the first full-service forensic laboratory in the northeast to gain accreditation by the American Society of Crime Laboratory Directors – Laboratory Accreditation Board (ASCLD/LAB) International. As a department with large toxicology, forensic, microbiology, and environmental laboratories, our mission is to fulfill the medicolegal, criminalistic, public health and environmental needs and requirements of Westchester County through laboratory analyses, death investigation and by conducting professional research in these areas. Please visit <http://labs.westchestergov.com/> for more information on our organization and accomplishments.

Responsibilities of this position include but are not limited to:

- Performs and/or supervises the performance of autopsies, gross and histological examinations of specimens, and evaluates all data and prepares reports of findings;
- Prepares final reports of medical examiner's cases which include reports of investigations of death;
- Performs statistical evaluations of medical data;
- Gives expert testimony in courts of law;
- May conduct conferences, seminars and lectures for lay and professional groups, including lectures at police academies and to detectives;

REQUIREMENTS:

Successful candidates will possess a license and current registration to practice medicine in NY State; Graduation from an approved medical school; Valid NY State Driver's license; Board certification, and one year beyond Fellowship as a practicing Medical Examiner.

Besides a competitive salary, our compensation package includes comprehensive benefits, including medical, dental, vision, deferred compensation, paid leave and retirement plan.

Westchester County is an Equal Opportunity Employer

Please submit resumes and cover letter to jobs@westchestergov.com

Important: Please indicate which position you are applying for by writing **Pathologist-Associate ME** in the subject line of your e-mail.

About Westchester County

Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of over a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers.
