# ASSOCIATE MEDICAL EXAMINER

PIERCE COUNTY, WASHINGTON

## Expectations

- + Conduct postmortem exams Monday through Friday, rarely weekends; determine cause and manner of death; write reports; testify in court; rotate on-call duties with two other board-certified pathologists who have 30+ combined years of experience.
- + Scene response by pathologist is rare.
- + Maintain report turnaround times that meet or exceed NAME-Accreditation Standards.

## Regional Partnerships

- + National leader in collaboration with organ and tissue procurement agencies.
- + Collaboration with cutting edge neuropathology researchers at the University of Washington.
- + Teaching relationship with Western University College of Osteopathic Medicine.
- + In-house access to academic literature.
- + Office-paid license renewal, Continuing Certification, CME and funds to attend national meetings.

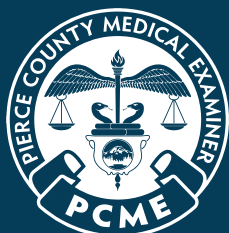

## Our Vision

The Pierce County Medical Examiner's Office has a regional reputation for excellence in professional and compassionate death investigations and postmortem examinations. This is accomplished through providing timely, accurate, and thorough services. Our office has a culture of teamwork, continuous improvement, and education.
