

Forensic Pathologist

Bennet Omalu Pathology
1621 Executive Ct
Sacramento, CA 95864

About the Opportunity

Bennet Omalu Pathology is seeking a board-certified forensic pathologist or board-eligible forensic pathologist (still within 2-3 years of completing a fellowship program in forensic pathology) to serve counties in the Northern California region, who can work independently but in consultation with a supervising forensic pathologist. This is a flexible hybrid work schedule, performing autopsies as needed, while allowing cases to be completed from home.

Position Details & Benefits

Responsibilities

- Perform coroner, hospital, and private autopsies on our decedents of all ages, including but not limited to, fetuses, neonates, and infants
- Perform autopsies on all manners of death with an understanding that there may be unique protocols for unique cases.
- Complete routine autopsy prosecutions and dissections within one or two hours, and complete final autopsy reports within 3 months for coroner cases, and within 45-60 days for hospital cases.
- Be Competent and effective in testifying in court and other legal hearings, presenting autopsy evidence and conclusions succinctly, concisely and precisely.
- Work collaboratively with personal and law enforcement from different counties as part of death investigation teams, including but not limited to coroners, police, sheriff and district attorney departments.

Qualifications

- Medical degree (MD or DO) with board certification in forensic pathology
- Valid medical license to practice in the state of California.
- Excellent communication skills for interdisciplinary collaboration.
- Commitment to ongoing professional development.
- The Pathologist is expected to reside in the beautiful Napa Valley area near Santa Rosa.
- If interested, please send CV to: Wendy@Bennetomalul.com and Kasandra@sactissuelab.com For inquiries, please call 279-345-1300 ext 103
