

Forensic Pathologist Vacancy. Burnaby Hospital base with Surrey Memorial Hospital and Abbotsford Regional General Hospital coverage, British Columbia, Canada

Salary Range: Laboratory Medicine \$326,233 to \$407,791+ CAD

The Person

The incumbent must be a M.D. with specialty training and certification in Anatomical or General (Clinical) Pathology and with an additional Fellowship year of training in Forensic Pathology together with certification in Forensic Pathology (Royal College of Physicians and Surgeons of Canada, American Board of Pathology, DMJ (Path), or other equivalent). Sole proprietor/Incorporated physician practice setup with benefits available through Doctors of BC.

The Job:

Responsibility for autopsy investigations and court attendance (as required) of sudden and unexpected deaths reported to the BC Coroners Service (BCCS), in accordance with the Coroners Act. You will be based at the Burnaby Hospital (BH) within laboratory medicine in the company of several pathologists conducting coroner autopsy work. Combine that with daily regular video and telephone contact to our BCCS team of autopsy pathologists and forensic pathologists across the province you will be part of a great team. Microscope with camera and Microsoft surface, digital SLR camera for autopsy, work cell phone and work laptop all provided. 1 in 7 weekend on-call (daytime hours only 13:00 to 16:00hrs by phone/computer). Opportunity for Clinical Assistant/Associate Professorship at University of British Columbia and formal teaching of medical students and residents through this job.

The Location:

Burnaby is home to a wide variety of arts and culture. From astounding live performances to local and international exhibits, to a historic site, there is always something new to experience. With the Burnaby Art Gallery, Burnaby Village Museum, Deer Lake Gallery, Michael J Fox Theatre, Nikkei National Museum & Cultural Centre, SFU Museum of Archaeology and Ethnology and the Shadbolt Centre for the Arts there is so much to discover. Burnaby has BC's largest mall, Metropolis at Metrotown, which is also home to the BC Coroner Service Burnaby HQ. Burnaby's ratio of parkland to residents is one of the highest in N. America with 25% of land designated as parks and open space, the city boasts over 200 parks. Burnaby is the heart of Metro Vancouver and with 11 Skytrain stops and 9 freeway exits, downtown Vancouver is only 15 minutes away.
