POSITION AVAILABLE

Forensic Pathologist

Champaign County Coroner is seeking a BC/BE Forensic Pathologist to join their dynamic team in Urbana, Illinois.

The Opportunity

- Design your dream schedule with part-time and full-time options available
- Choose your compensation structure: Salaried with benefits or contracted to be paid per autopsy (\$1,200 per autopsy)
- Proven earning potential of \$444K
- Collegial and collaborative team approach working alongside the elected county coroner
- Come home and stay home every night with no in person call requirements

Requirements

- BC/BE in Forensic Pathology
- Ability to acquire IL licensure

The Community

- Home to the University of Illinois, offering a diverse community with a rich cultural scene

- Spend the day at the Urbana Farmers Market shopping for fresh produce, artisanal goods, and more
- Kick back and relax at the Crystal Lake Park or enjoy outdoor activities such as fishing, picnicking, paddle boating, and more
- Low crime rates and a cost of living 12% lower than the national average
