Deputy Medical Examiner

Position Details

Appointing Authority	Summit County Executive Ilene Shapiro
Department/Division	Executive, Medical Examiner's Office
Full Time/Part Time	Full Time
Regular/Temporary	Regular
Work Schedule	The employee must be available to work a variety of hours and under a variety of conditions. On-call duties will be shared with three other forensic pathologists. Normal Business Hours: Monday – Friday, 7:30 am to 4:00 pm.

Job Description

The newly hired forensic pathologist would be joining 3 other board certified forensic pathologists at a NAME Accredited Office. The Summit County Medical Examiner's Office serves a population of approximately 540,000 citizens and performs approximately 580 examinations and 170 records reviews each year.

We currently provide autopsy coverage for a neighboring County Coroner's Office. The caseload would be divided between the 4 pathologists with call weeks every 4th week with rotating holiday schedules. No examinations are performed on Sundays, Christmas day, New Year's Day or Thanksgiving Day. Our office has strong professional relationships with the medical community, criminal justice system and referring coroners. We employ a full time staff of ABMDI certified death investigators.

Under administrative direction; performs inquiries, examinations and testing of a medical nature to determine the mechanism, cause and manner of

deaths brought to the attention of and entering the jurisdiction of the Medical Examiner's office; supervises morgue personnel, collects physical evidence; assumes the duties and responsibilities of the Chief deputy Medical Examiner during an absence.

Required Qualifications

Any combination of training or work experience which indicates possession of the skills, knowledge and abilities listed below.

Licensed to practice as a physician in the State of Ohio. Certification in anatomic pathology from the American Board of Pathology. A qualified individual must be Board eligible or certified in forensic pathology. Possession of a valid State of Ohio driver's License. Requires the ability to access potential and/or hazardous environment, and transports self to the work site under various climatic conditions.

Physical Demands

Licensing/Certification

State of Ohio medical license, initial Certification by the American Board of Pathology in Anatomic Pathology with eligibility or initial board certification in Forensic Pathology (board certification must be obtained in Forensic Pathology within 2 years of hire). Valid Ohio driver's license.

Additional Information

Summit County is an excellent place to live, work and play. We have a thriving County Metro Park system and the Cuyahoga Valley National Park that provide opportunities for hiking and other outdoor activities. We are home to the Akron Rubber Ducks, a minor league baseball team who play in Canal Park in downtown Akron. There are numerous restaurants and entertainment venues within the City and surrounding community and we are within a 1-2 hour drive from major metropolitan areas (Cleveland, Columbus and Pittsburgh) who offer additional larger entertainment venues.
