

FORENSIC MEDICAL OF KANSAS

KANSAS CITY, KS

NOW HIRING FORENSIC PATHOLOGIST

SALARY: \$220,000 + based on experience

The Medical Examiner's office serves an area in Kansas and Missouri covering over 65 counties and will perform over 1,500 autopsies per year. We employ several forensic pathologists and locums. We also have several forensic technicians, death investigators and many other support staff. We also utilize a web-based database allowing remote access to case files when teleworking from home.

JOB DUTIES

Responsibilities include performing forensic autopsies for numerous surrounding counties, providing expert testimony, as well as providing forensic pathology consultation.

The successful candidate will possess an M.D. or D. O., be eligible for medical licensure in the State of Kansas and be able to obtain FP certification within two years of employment.

BENEFITS

In addition to the salary we offer a comprehensive benefit package including:

- Medical, dental, and vision
- Health Savings Account
- Annual vacation, sick and paid holidays
- Short-term disability, long-term disability, and life insurance
- 401(k) retirement plan
- Annual merit increases
- Year-end bonuses
- CME for national conference
- Professional Liability Insurance
- Board Certification/Maintenance and Licensure
- Relocation assistance

We urge you to consider Forensic Medical Management Services for your next career move. We have been operating as a privately-held medical examiner's office since 1997 and have extensive experience in all jurisdictions, Medical Examiner, Justice of the Peace, and Coroner systems. Our Kansas location serves counties in both Kansas and Missouri.

We provide annual training programs for law enforcement and county medical examiners with presenters from all offices.

The Kansas City, KS and MO area is being termed "The New Midwest" and offers a variety of opportunities for growth in many industries. It is home to the KC Chiefs, Super Bowl Champions, Kansas City Royals baseball team, MLS Sporting KC, and a nationally known speedway sponsoring NASCAR events. The city boasts a cost of living 21% lower than the national average. It lies at the junction of the Missouri and Kansas rivers and has a deep cultural history.
