OFFICE ADDRESS: 3550 KENSINGTON RD, DECATUR, GA 30032

Mercedes-Benz Stadium

Downtown Atlanta

Lake Lanier

Tybee Island

JOB REQUIREMENTS

To apply, this position requires 1.) a valid Georgia medical license and 2.) certification by the American Board of Pathology in the disciplines of anatomic and forensic pathology or successful completion within one year of employment. The physician should have the communication and professional skills to teach students, interact with families, law enforcement, and attorneys. Court appearances are primarily in DeKalb County, within 5 miles of the office. The office has established internship programs with Georgia State University and Emory University School of Public Health. The office serves as an elective rotation site for Emory Department of Pathology residents and medical student from Emory University and the Philadelphia College of Osteopathic Medicine. These initiatives often necessitate input from the physician staff.

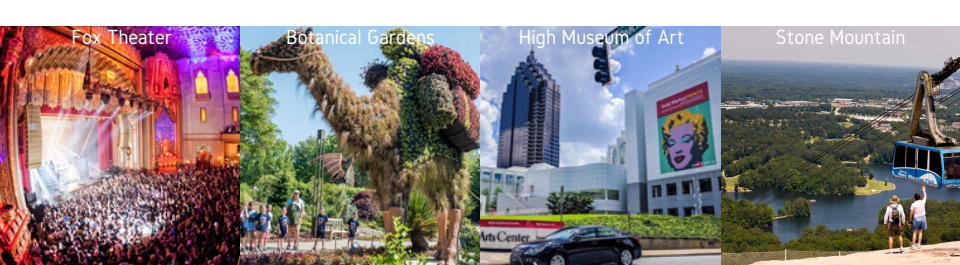

JOB DESCRIPTION

Forensic Medicine Associates, Inc. (FMA) is seeking applicants for the position of Associate Medical Examiner at the DeKalb County Medical Examiner's Office. Employment is through the Chief Medical Examiner's private corporation, Forensic Medicine Associates, Inc. This is a W-2 full-time position. Primary medical examiner services are provided to DeKalb County as well as to select other metropolitan Atlanta counties, excluding prosecutable deaths.

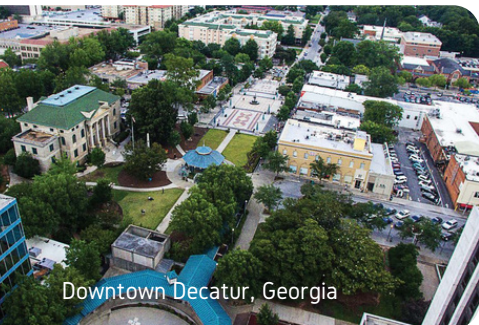

JOB RESPONSIBILITIES

- Performing medicolegal autopsies
- Certifying cause and manner of death
- Ordering and interpreting diagnostic testing
- Providing expert court testimony
- Consulting with law enforcement, attorneys, physicians, and families
- Teaching pathology residents and medical students
- Reviewing evidence and investigative materials
- Generating autopsy reports
- Collaborating with co-workers to resolve complex cases

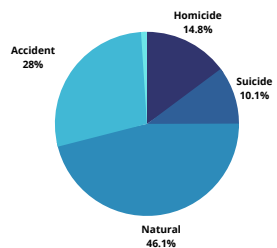

BENEFITS

- Minimal court travel (courthouse is 10 minutes away).
- Excellent relationships with co-workers, law enforcement, district attorneys, public defenders, universities, and medical examiners in surrounding jurisdictions.
- Three weeks paid vacation annually
- Laid-back convivial atmosphere
- 1-week paid sick leave annually
- IRA Simple Retirement Plan with a 3% match from Employer (FMA)
- Paid parental leave
- Periodic travel sponsorship for educational conference, if presenting
- One paid professional membership annually
- 12 paid federal holidays
- Kaiser Health Insurance
 - Pediatric Dental & Vision is embedded in the Kaiser plan for members 18 and younger
- Malpractice insurance, which covers all aspects of the practice
- As part of the FMA benefit package, FMA will pay for a legal consultation with an attorney who specializes in student loans. The attorney and applicant will analyze repayment options and develop a payment plan. Depending on the loan attorney's assessment of the applicant's needs, an increase in the employee's annual salary may be provided by FMA to assist with the repayment of student loans.

2022 ANNUAL CASE PERCENTAGES BY MANNER
