

The Cleveland Experience

According to U.S. News, Cleveland, Ohio is in the Top 100 Best Places to Live. We like to think we are ranked #1 (yes, we're biased). Whether arts & culture, sports, food or the great outdoors, Cleveland offers a plethora of things to do for you and your family.

Art aficionados can admire the nearly 45,000 items on display at the world-renowned and always free Cleveland Art Museum

Lovers of the performing arts can visit the Illuminated marquees and opulent theaters of Playhouse Square, including five restored to their grand 1920s splendor, welcome guests to the largest performing arts center outside of New York City.

For music connoisseurs, The Cleveland Orchestra ranks as one of the top five orchestras in the world. Cleveland is also home to the Rock N' Roll Hall of Fame.

Everyone knows Cleveland Rocks!

Cleveland has MLB, the NFL and NBA providing year-round professional sporting events in state-of-the-art facilities and winning too!

Whether indoors or out, Cuyahoga County is a source of natural beauty from Lake Erie, to the Emerald Necklace of Cleveland MetroParks and the Cuyahoga Valley National Park. Thousands of acres support outdoor fun from hiking, kayaking and fishing to cross country and downhill skiing. Indoor nature stops like the Rockefeller Greenhouse and Cleveland Botanical Garden ensure year-round access to natural splendor.

Kids can have fun here too. Options allow for inside and outside activities at the Cleveland Metroparks Zoo, the Cleveland Aquarium, the Hershey Outdoor Garden, The Children's Museum and the Great Lakes Science Center, to name just a few.

No matter what you're looking for, Cuyahoga County has it. Come see what all the excitement is about!

- ** Affordable Cost-of-Living
 - 27.4% lower than the national average (2020)
- ** Growing Economy
 - Glassdoor ranked Cleveland as the fifth best city for jobs
- ** Some of the top performing school districts in Ohio
- ** Easy commuting distance to anywhere in the county

Cuyahoga County Medical Examiner's Office

Forensic Pathologist

<https://www.cuyahogacounty.us/medical-examiner>

Job Description

Medical Examiner's Office

Flexible work schedule: 40-hour work week with optional 4-day schedule

On-call homicide scene duties (rotated weekly among 8 Forensic Pathologists.)

Salary: up to \$300,000 (based upon experience and certification)

Under the authority of Chief Medical Examiner and Deputy Chief Medical Examiner the purpose of this classification is to perform forensic medical evaluation and analysis to determine the cause and manner of death in cases assigned to the Medical Examiner's Office and to assist with related administrative responsibilities.

Minimum Requirements

Medical doctor licensed in Ohio (required on commencing employment)

Board eligibility/certification in Forensic Pathology by the American Board of Pathology.

Why Work At The Cuyahoga County Medical Examiner's Office?

CCMEO is home to many of the ground-breaking practices created when forensics and medicolegal death investigation were in their infancy as a scientific discipline. Gerber, Adelson, Balraj, Sunshine...these names stand tall in the annals of forensics history. However, we are not sitting on our accolades from years past. Cuyahoga County Medical Examiner and the accompanying Regional Forensic Science Laboratory are home to:

- The longest running forensic pathology fellowship program in the U.S. (ACGME accredited)
- Vollmer Award winning medicolegal death investigation courses (certified AMA PRA Category 1 and CLE eligible)
- One of the most highly accredited public sector forensic agencies in the U.S.

National Association of Medical Examiner's (NAME)

ANSI National Accreditation Board (ANAB)

Accreditation Council of Graduate Medical Education (ACGME)

American Board of Forensic Toxicology

FBI Quality Assurance Standards for inclusion in the Combined DNA Index System/National DNA Index System (CODIS/NDIS)

American Association of Blood Banks (AABB)

- Relationships with top hospitals including the Cleveland Clinic, Metro Health, and University Hospitals.
