Onondaga County, New York is hiring: FORENSIC PATHOLOGIST/ MEDICAL EXAMINER

Located in the center of New York State, Onondaga County is home to the City of Syracuse. We are within a 5-hour drive from New York City, Toronto, Boston, Philadelphia, and the Adirondack Mountains, and are conveniently situated at the intersection of Interstate 81 and the New York State Thruway.

Our four-season climate provides warm summers for boating on the Finger Lakes, vivid fall foliage in our surrounding countryside, blankets of snow for winter sports enthusiasts, and budding springtime shopping and dining in our unique lakeside villages of Skaneateles, Cazenovia, and Geneva.

The Central New York (CNY) region is home to 35 higher education institutions including Syracuse University. This network plays a part in CNY's rich innovation and entrepreneurial opportunities. Syracuse is also known as one of the top green cities in the US, and is named one of the most affordable cities to live in the US.

From tech, the arts, cultural events, and beautiful natural surroundings to sports and seasonal outdoor activities, Onondaga County is a great place to live, work, play, and raise a family.

POSITIONS AVAILABLE FORENSIC PATHOLOGIST/ MEDICAL EXAMINER

100 ELIZABETH BLACKWELL STREET, SYRACUSE, NY 13210
315.435.3163 | ONGOV.NET/HEALTH/MEO

The Onondaga County Medical Examiner's Office, a NAME-accredited office in Syracuse, New York, is the regional medical examiner's office for Central New York. The office is located in the Center for Forensic Sciences, a fully integrated state-of-the-art forensic facility that also houses the county's forensic laboratories.

Our office has funding for **full-time and part-time forensic pathologist/medical examiner positions**. Successful candidates will join dedicated staff including: a chief medical examiner, board certified forensic pathologist/medical examiner, several board certified forensic pathologist/medical examiner contractors, director of operations, a large staff of forensic investigators with ABMDI credentials, 5 autopsy technicians, 2 morgue attendants, and other administrative personnel.

The office has an in-house ANAB-ISO accredited toxicology lab and access to forensic anthropology, forensic odontology services as well as clinical, pathology, and neuropathology specialties through the State University of New York (SUNY) Upstate Medical University.

JOB DUTIES

Responsibilities includes investigating deaths, performing autopsies, and court testimony as requested. The position may include an academic appointment with SUNY Upstate Medical University, Department of Pathology for the training of pathology residents in autopsy and forensic pathology.

QUALIFICATIONS

MD or DO degree with American Board of Pathology certification in anatomic pathology and board eligibility in forensic pathology. Current or ability to obtain a license to practice medicine in the State of New York.

SALARY AND BENEFITS

The starting salary for positions range from \$200,000 to \$230,871 (**pro-rated for part-time positions**), depending on qualifications and experience, with scheduled annual increases, and a competitive benefits package:

- Medical, dental and vision coverage
- Annual vacation, sick, personal leave, and paid holidays
- Conference allowance and NAME membership
- No-cost long term disability
- Flexible Spending Accounts
- New York State Retirement/Pension and Deferred Compensation Program

TO APPLY

Please submit a cover letter and curriculum vitae to Catherine Unger, Director of Operations at CatherineUnger@ongov.net.
