

**The Kentucky Justice and Public Safety Cabinet is seeking applications for 2 Kentucky State Medical Examiners at the State Medical Examiner's Office in Frankfort, Kentucky.**

The Kentucky Medical Examiner Division of the Justice and Public Safety Cabinet announces an opening for 2 forensic pathologists, available immediately, in Frankfort, Kentucky (Franklin County). The successful candidates will join a team who fosters an engaging, positive workplace culture, is committed to excellence, and believes in the importance of mutual respect, kindness, and trust. The ideal candidates will join 2 full-time, board-certified forensic pathologists who are supported by ample administrative staff and autopsy technicians with a long history of stability within the community and the state.

The office is located in the pristine Central Laboratory Facility with numerous windows—also houses the Kentucky State Police Crime Laboratory and the Department of Public Health Laboratory—and services both metropolitan and rural areas in central and eastern Kentucky.

The Frankfort area has a very affordable cost of living, a relaxed “southern living” atmosphere, and is in a central location to both Louisville and Lexington. It is flanked with rich outdoor activities (hiking, camping, fishing, rock climbing, and college athletics), bourbon distilleries, dining, and has easy access to entertainment such as Churchill Downs, 4<sup>th</sup> Street Live, YUM Center, museums (Louisville) and in Kentucky’s horse capital (Lexington) Keeneland, Rupp Arena, Kentucky Horse Park, and multiple historic distilleries. Vacation/off-time coverage and educational seminar participation are supported. The office is also supported by the NAME accredited Office of the Chief Medical Examiner located 39 miles away. Approximately 1,100 examinations are conducted per year (including external examinations) in a well-equipped space that features LODOX imaging technology. Attendance at scenes is exceedingly rare (less than 5 per year). Examinations, weekends, and holiday coverage are shared equitably among the staff.

This executive branch/unclassified state position requires board certification or eligibility by the American Board of Pathology in Anatomic and Forensic Pathology, and licensure to practice medicine in the state of Kentucky at the time of employment.

The state salary offered, after a 6-month probationary period, is \$225,000.00 for a Medical Examiner I (Board Eligible) and \$236,250.00 for a Medical Examiner II (Board Certified). As a state employee, the new forensic pathologist will enjoy full benefits, including healthcare and/or flexible spending accounts, participation in the state retirement system, and options to participate in the deferred compensation program.

The Commonwealth of Kentucky does not discriminate on the basis of race, color, religion, national origin, sex, age, disability, or veteran status in employment or other provision of services.
