

Snohomish County, Washington is hiring an Associate Medical Examiner

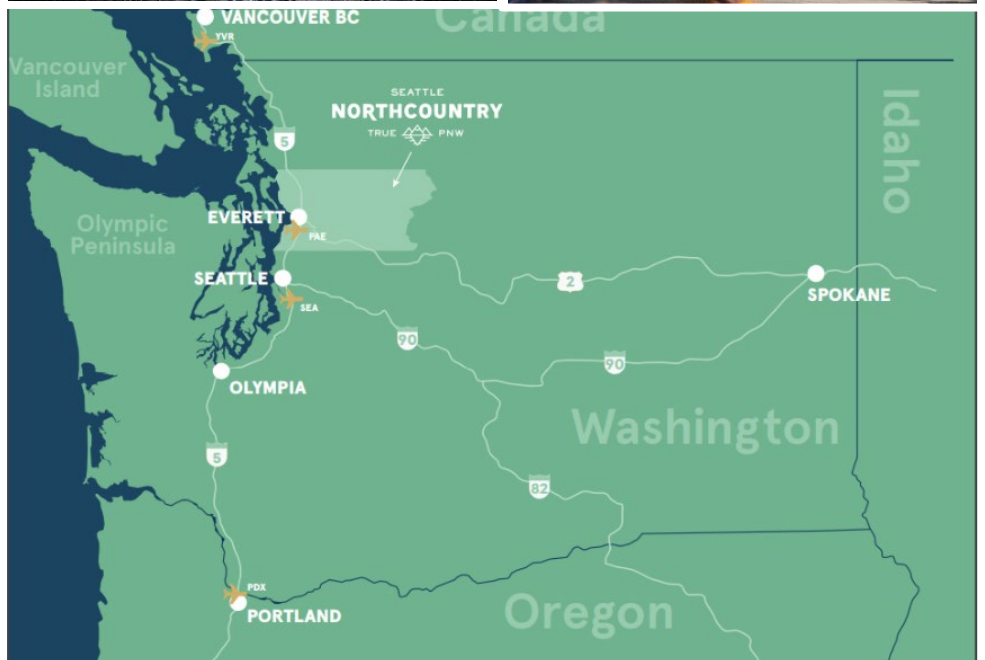

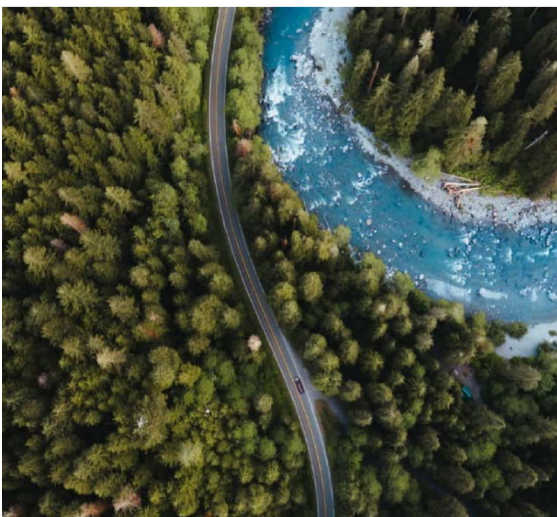

Snohomish County Medical Examiner's Office is located in Everett, Washington. Everett is only thirty minutes north of Seattle and two hours south of Canada. Snohomish County is home to beautiful mountains, saltwater beaches, rivers, farmlands, and forests. There is no shortage of outdoor activities, but there are also many amazing museums, historic downtown shopping centers, and the largest building in the world at Boeing (just across the street from our office)!

About the Associate Medical Examiner Position:

Are you a forensic pathologist with a genuine concern for others and an upbeat attitude who can exercise independent judgment and work with two other pathologists? The Snohomish County Medical Examiner's Office is seeking an Associate Medical Examiner to join our team.

About the Office:

Snohomish County Medical Examiner's Office (SCMEO) serves Snohomish County, Washington, which includes urban and rural areas (2,196 square miles) and a population of over 800,000 people. The office also provides autopsy services to several coroner counties throughout Washington State. The office operates out of a dedicated 14,057 square foot facility with a staff of 22 and a budget of \$4 million. Our ABMDI-certified investigative staff provides 24/7 coverage, and we have excellent pathologist assistants and a supportive administrative staff. Our office is NAME accredited.
