

Forensic Pathology in Wisconsin – up to \$250k in Student Loan Repayment

A Midwest county medical examiner's office is seeking a board-certified or board-eligible forensic pathologist to join its team. This is a high-income opportunity offering an incredible quality of life for the incoming physician.

Opportunity Highlights:

- Join a collegial group of forensic pathologists
- Base salary of up to \$270,000
- Sign-on bonus + relocation assistance provided
- Student loan repayment of up to \$250,000

Community Highlights:

Surrounded by two gorgeous lakes and home to the University of Wisconsin, Madison is a friendly community with plenty of Midwest charm. Offering a small-town feel and big-city amenities, it's an ideal place to call home.

- Some of the best public + private schools in the state
- Four distinct seasons + an abundance of outdoor recreation, including biking, golfing, fishing, paddle boarding, snowshoe walking, and hiking
- A variety of events + activities throughout the year, including collegiate sporting events
- A remarkable downtown area, featuring a number of wonderful shops and restaurants
- Convenient access to Lake Michigan + Milwaukee
- Within driving distance to Chicago
- *Medscape* ranks Wisconsin #2 in its "Best Places to Practice 2021"

Qualifications:

Candidates must be eligible for medical licensure in the State of Wisconsin and must be board-eligible or certified in Forensic Pathology

Medical degree required
