Benefits Package

The Deputy Chief Medical Examiner position is an exempt position with an excellent benefits package including: enrollment in the Arizona State Retirement System defined benefit plan, 80 hours of vacation leave and 80 hours of sick leave banked upon hire, annual one-week conference leave (expenses paid), accrual of at least four weeks of annual vacation, paid NAME and AAFS membership fees, paid medical licensure renewal and Boards maintenance fees, and free public transit pass.

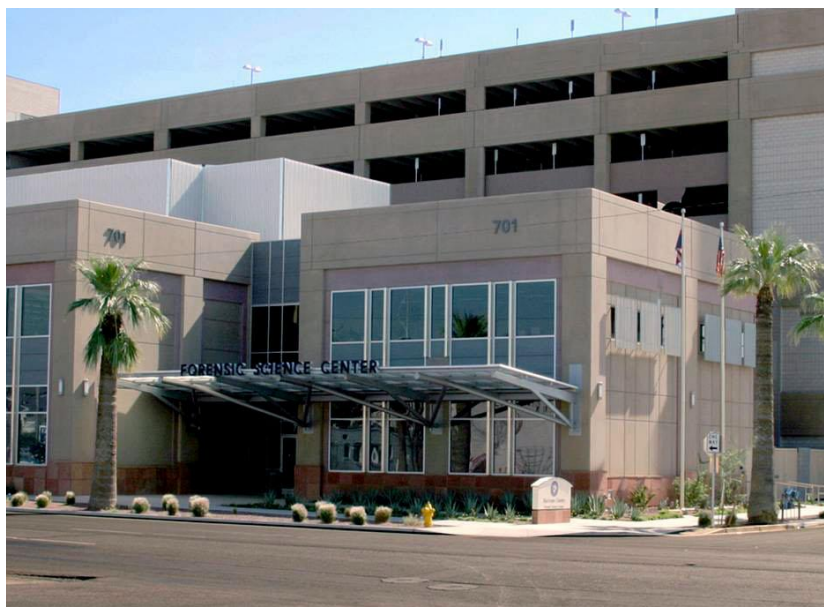

About the Position

Arizona has a county-based medical examiner system and requires forensic pathologists to perform forensic autopsies. Death investigations are led by our forensic pathologist team supported by a fantastic group of physician assistants, forensic specialists, investigators, technicians, photographers, case-information specialists, and laboratory professionals.

The two Deputy Chief Medical Examiners report directly to the Chief Medical Examiner / Department Director and oversee the professional medical team. You will also work in conjunction with an Administrative Director, Operations Chief, Administrative Services Manager, and Section Supervisors to coordinate teams to provide excellent medical death investigation services for the community, internal and external education, quality assurance, and emergency/continuity planning.

Casework duties are balanced against administrative and managerial responsibilities and appointment as a clinical assistant professor with the University of Arizona College of Medicine - Phoenix is expected which offers access to a full-service medical library and a developing Department of Pathology.

We are looking for a consummate professional who enjoys public service, coaching, teamwork, and has a curious and growth-oriented mindset.
