

# BEXAR COUNTY MEDICAL EXAMINER'S OFFICE

## JOB POSTING: DEPUTY MEDICAL EXAMINER

**Salary \$284,000<sup>+</sup> (depending on experience)**

**Plus \$5,000 moving expenses and \$20,000 recruitment incentive**

The Bexar County Medical Examiner's Office is seeking board certified qualified individuals to fill an anticipated Deputy Medical Examiner vacancy plus two new ME positions. The BCMEO currently has 9 board-certified forensic pathologists, one of whom is retiring at the end of 2025, and received two additional ME positions in FY 2025, bringing the total complement of MEs to 11. In addition to the medical staff, the BCMEO offers a full-time Forensic Anthropologist, highly qualified autopsy staff, ABMDI certified investigators, clerical personnel, family assistance specialists, and a full-service postmortem toxicology laboratory led by a PhD level Toxicologist. The BCMEO is also home to an ACGME accredited forensic pathology fellowship program and, if desired, a qualified applicant may be able to fill the role of Program Director.

This National Association of Medical Examiners accredited office is located in the beautiful, vibrant city of San Antonio, Texas which serves a population of 2.3 million people and is currently the 8<sup>th</sup> largest city in the United States.

San Antonio is the most visited city in Texas every year and is home to a richly immersive culture, eclectic culinary choices, Fiesta (an annual 10-day festival that salutes the heroes of the battles of the Alamo), the famous Riverwalk, the San Antonio Spurs, San Antonio FC, and, of course, The Alamo.

The Bexar County Medical Examiner's Office is located on the campus of UT-Health San Antonio, a Tier-1 Medical School and research institution, with a full medical library and a host of consultants available on-site.

Candidates must have Board Certification in Forensic Pathology by the American Board of Pathology, or the ability to obtain Board Certification within two years of hire, and a current and active Texas Medical License. Duties include performing medicolegal death investigations and postmortem examinations; testifying in legal proceedings; and teaching fellows, residents and medical students.

The BCMEO offers a competitive benefits package including:

- 2 to 1 employer/employee matching retirement plan
- High level medical insurance with low premiums (includes: dental and vision)
- Life and disability insurance with low premiums
- Twelve (12) sick days per year
- Ten (10) vacation days per year with a tiered increase with years of service
- Ten to twelve (10-12) paid holidays per year
- Paid licensure, CME and conference attendance
