

Assistant Medical Examiner Opening

The Hennepin County Medical Examiner's Office, located in scenic suburban Minneapolis, seeks a full-time Assistance Medical Examiner.

This position serves Hennepin, Dakota and Scott Counties, and referral counties in the region. The salary range is \$166,347.42 – \$263,894.70 annually, dependent on qualifications, combined with a desirable benefits package.

The ideal candidate will be a licensed physician or eligible for license to practice medicine in the state of Minnesota (M.D. or D.O.) and qualified as a pathologist certified or eligible for certification in forensic pathology by the American Board of Pathology.

The office is accredited by the National Association of Medical Examiners and sponsors an ACGME-accredited fellowship in forensic pathology. The office also employs a death investigation team that is required to be certified by the American Board of Medicolegal Death Investigators.

Join a team of eight forensic pathologists and one forensic anthropologist who have nationwide influence and play an active leadership role in improving medicolegal death investigation and forensic through committee and board memberships, including:

- National Association of Medical Examiners (NAME)
- American Academy of Forensic Sciences (AAFS)
- College of American Pathologists (CAP)
- American Society for Clinical Pathology (ASCP)
- American Board of Forensic Anthropology (ABFA)
- Organization of Scientific area Committees (OSAC-NIST)

Our area of coverage has more than 1.87 million residents and covers approximately 1,500 square miles.

Hennepin County opened a new state-of-the-art medical examiner's facility in the western suburb of Minnetonka in 2022. This new facility will meet the needs of our diverse population and fulfill our vision to serve as a regional center of excellence in forensic science with timely, accurate and compassionate investigations.

Andrew M. Baker, M.D., Chief Medical Examiner of Hennepin, Dakota and Scott counties.

Live in the Minneapolis-St. Paul Metropolitan Area

The Twin Cities metro area offers an unparalleled quality of life that includes exceptional school districts, shorter-than-average commute times, endless recreation options, professional sports teams and a vibrant arts/theater/music community.

With four distinctly beautiful seasons, more clear days than Miami, Pittsburgh or Houston (current records) and more than 10,000 lakes, it's always great to be outdoors. MSP also has more theater seats sold per capita than anywhere except NYC.
