

MEDICAL EXAMINER

SALARY DOQ/NEGOTIABLE

COLLIN COUNTY
McKinney, Texas

The Collin County Medical Examiner's Office, located immediately north of Dallas County, Texas is seeking a County (Chief) Medical Examiner to replace the present retiring Medical Examiner. Take advantage of this rare career opportunity to lead an office in a highly desirable location with a manageable caseload and provide physician design input for a new state-of-the-art facility.

ABOUT THE JOB

The successful candidate can expect to perform 200-220 NAME examinations per year, counting four inspections as one autopsy. Planning for a new facility has begun and significant input on the facility's final design is expected.

Responsibilities include administrative duties, postmortem examinations, court testimony, issuing cremation permits and daily review of cases reported. Leadership is expected. Requires MD or DO degree with board certification in anatomic and forensic pathology, medical licensure in the state of Texas or ability to obtain such, and previous experience in a forensic center work environment.

COLLIN COUNTY

With a population of 1.2 million, Collin County is one of the fastest growing communities in the United States, ranking at or near the top in surveys for quality of life, per capita income, educational attainment, and wellness in the state of Texas.

Collin County Government offers exceptional benefits in this public sector role. This includes education and membership allowances, a generous paid time off program, medical and dental coverage, flexible spending accounts, and participation in the Texas County and District Retirement system.
