

We're Hiring Medical Examiner

The Kentucky Justice & Public Safety Cabinet's Medical Examiner Division has an immediate opening for a forensic pathologist in **Madisonville, Kentucky**.

Annual salary is **\$257,937**.

Who We Are

The Western Kentucky Regional Medical Examiner Office serves both urban and rural areas in western Kentucky. The area is rich with outdoor activities, such as Land Between the Lakes National Recreation Area, and has a very relaxed "southern living" atmosphere and affordable cost of living. The successful candidate will be in a solo practice with a team that fosters an engaging, positive workplace culture, is committed to excellence, and believes in the importance of mutual respect, kindness, and trust. Vacation/off-time coverage, a quality assurance program, and educational seminar participation are supported by eight full-time, board-certified forensic pathologists in the NAME-accredited Office of the Chief Medical Examiner.

Why Choose Us

Excellent Working Conditions

The facility is in pristine condition and well-equipped. The Regional Crime Lab is directly across the street.

Low Caseloads

Annual individual caseload 200 +/- autopsies to include external examinations. Weekend/holiday coverage provided equitably by the Louisville office. Scene attendance is very rare (less than five per year). Odontology, neuropathology and anthropology services are available.

Competitive Salary and Benefits

We offer health insurance, optional flexible spending accounts, a retirement plan, wellness programs and more.

Salary

The state salary offered after a 6-month probationary period:

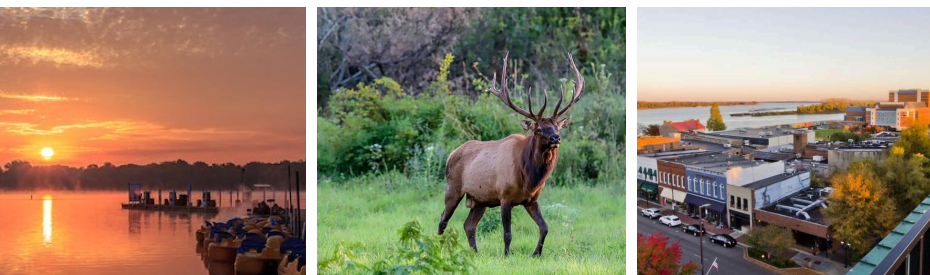

- **\$257,937.00** for a Medical Examiner II (Board Certified)
- **\$245,654.00** for a Medical Examiner I (Board Eligible)

Benefits

- Health insurance
- Retirement
- Annual and sick leave
- 12.5 paid holidays per year
- Flexible schedules
- Positive workplace culture

Job Requirements

This executive branch/unclassified state position requires board certification or eligibility by the American Board of Pathology in Anatomic and Forensic Pathology, and licensure to practice medicine in the state of Kentucky at the time of employment.
