

The Northeastern Regional Forensic Pathology Unit (NERFPU) at Health Sciences North (HSN) in Sudbury, Ontario, is seeking a full time, part time or locum tenens Forensic Pathologist.

Position highlights:

- All autopsy work is performed Monday to Friday between 9 am and 4 pm.
- Interested applicants must be listed as a Category A Pathologist on the Ontario Forensic Pathology Service (OFPS) Register of Pathologists or meet the requirements to be eligible to be listed as such.
- Compensation is combination of per diem (\$600/day) plus fee for service (current OFPS rates as follows: \$300 external only; \$1200 routine case; \$1650 complex case), with variable year end bonus (first year guaranteed bonus of at least \$100,000), with overall estimated annual income for full time work at **\$400,000-\$550,000+**, depending on desired caseload.
- Most full time pathologists will also be eligible for the Northern Recruitment and Retention initiative, administered through the Ministry of Health, currently **\$84,718** paid over four years, and additional recruitment incentives offered by Health Sciences North.
- Ability to practice through a medicine professional corporation, with favourable tax treatment (current small business tax rate of 12.2%).
- All travel and accommodation costs covered for locum pathologists.
- Flexible scheduling with 8+ weeks of annual vacation time (negotiable).
- Consideration will be given to physicians with US postgraduate training and certification, including J1 visa holders.

Interested individuals should send a cover letter and CV to:

Bojana Mitrovic, MD

Email: bmitrovic@hsnsudbury.ca

HSN thanks all applicants, but only those selected for interview will be contacted.
