

Forensic Pathologist

Forensic Medicine - Newcastle, Australia

An exciting overseas opportunity to join a **respected** forensic pathology **team** within NSW Health Pathology, Australia.

Based in the beautiful coastal city of Newcastle, Australia, the role brings a new meaning to a healthy work-life balance. There will also be opportunity to work from the new \$91.5 million state-of-the-art Forensic Medicine facility in Sydney, Australia.

The successful candidate will be someone who can uphold the highest level of **integrity** whilst **safely** performing medicolegal post mortem and ancillary investigations to assist in determining cause and manner of death, while maintaining the dignity of the deceased. You will also have the opportunity to further demonstrate your **excellence** through the preparation of expert opinion reports and present expert testimony in court.
