

# Assistant Medical Examiner

**Ramsey County Medical Examiner's Office**  
St. Paul, Minnesota

The Ramsey County Medical Examiner's Office is seeking a qualified Assistant Medical Examiner to join a collegial, well-resourced forensic pathology practice serving a diverse metropolitan population in St. Paul, Minnesota, and surrounding counties.

## **Position Overview**

This is a full-time forensic pathology position within a stable office comprised of four forensic pathologists. The office conducts approximately 1,200 autopsies annually, shared equitably among staff, with strong investigative, technical, and administrative support.

## **Qualifications**

- Board-eligible in Anatomic Pathology and Forensic Pathology (required)
- Board certification in AP and/or FP (preferred)
- Eligibility for unrestricted Minnesota medical licensure
- Demonstrated ability to perform forensic autopsies, provide expert testimony, and collaborate effectively with medicolegal partners

## **Compensation & Benefits**

- Competitive total compensation in the mid-\$200,000 range
- Comprehensive benefits package, including medical, dental, and vision insurance
- Eligibility for retirement and profit-sharing programs after six months
- Paid CME and financial support
- Flexible paid time off

## **Professional Environment**

- Collaborative team culture with shared workload
- Support from experienced death investigators and technical staff
- Opportunities for professional development and continuing education
- Predictable workload supporting work-life balance

## **Start Date**

Flexible, with availability beginning in 2026

## **Application Process**

Interested candidates should submit a curriculum vitae or direct inquiries to:
