THE IDEAL CANDIDATE WILL:

- ◆ Graduate from an approved school of medicine with a MD or DO degree
- ◆ Have a valid, unrestricted California Physician and Surgeons license
- ◆ Be board certified in Anatomic or Anatomic/Clinical Pathology by the American Board of Pathology
- ◆ Be board certified in Forensic Pathology or board eligible, with certification obtained within two years of employment, by the American Board of Pathology

Loma Linda School of Medicine, Department of Pathology and Human Anatomy Appointment:

The Forensic Pathologist will be granted a non-tenured volunteer faculty appointment with the Loma Linda School of Medicine through the department of Pathology and Human Anatomy, for the purpose of staffing residents and fellows in forensic autopsies.

ABOUT THE OFFICE AND COUNTY

The Coroner Division, which currently includes one chief forensic pathologist, two full-time forensic pathologists and two part-time forensic pathologists, performed approximately 1,900 forensic autopsies in 2021.

San Bernardino County has a population of over two million and is located east of Los Angeles. It borders Nevada and Arizona and is the largest county in the contiguous United States.

Professional sporting venues and entertainment opportunities in Los Angeles, San Diego, and Las Vegas are a short drive from the county seat, the city of San Bernardino. Several Southern California beaches are within an hour's drive. Local mountains and deserts provide a variety of recreational locations for snowboarding, skiing, boating, off-highway vehicle riding, hiking, rock climbing, camping and various other outdoor activities.

San Bernardino and Ontario International Airports services the San Bernardino/Inland Empire area.
