

FORENSIC MEDICAL OF TEXAS

Position Location: TYLER, TX

NOW HIRING FORENSIC PATHOLOGIST

SALARY: \$225,000+ based on experience

Forensic Medical Management Services of Texas began operations in Tyler in 2012. It currently provides forensic services to the citizens of over 20 counties in East Texas.

We employ several forensic pathologists and locums throughout our organization in addition to several forensic technicians and many other support staff. We also utilize a web-based database allowing remote access to case files when working from home.

JOB DUTIES

Responsibilities include performing forensic autopsies for numerous surrounding counties, providing expert testimony, as well as providing forensic pathology consultation.

Minimum requirements: M.D. or D.O. degree, certification and eligibility for medical licensure in Texas.

BENEFITS

In addition to the salary we offer a comprehensive benefit package including:

- Medical, dental, and vision
- Health Savings Account
- Annual vacation and paid holidays
- Short-term disability, long-term disability, and life insurance
- 401(k) retirement plan
- Annual merit increases
- Year-end bonuses
- CME for national conference
- Professional Liability Insurance
- Board Certification/Maintenance and Licensure
- Relocation assistance

We urge you to consider Forensic Medical Management Services for your next career move. We have been operating as a privately-held medical examiner's office since 1997 and have extensive experience in all jurisdictions.

Tyler, Texas is a center for advanced healthcare having four hospitals and a Level I trauma center. It is also considered the Rose Capital of the world and home to the annual Texas Rose Festival. In amongst the beautiful, lush East Texas trees, Tyler also hosts a breathtaking Azalea and Spring Flower Trail each year. Tyler is conveniently located two hours east of Dallas in the beautiful hills of East Texas and is known as the center for rose cultivation.

Tyler and Smith County is also the home to many actors, singers, and athletes such as actress Sandy Duncan, musician Miranda Lambert, singer/songwriter Paul Baloche, and NFL Running Back Earl Campbell to name a few.
