

**Forensic Pathologist
Saint Louis University School of Medicine/SLUCare Physician Group**

The SLUCare Physician Group is the academic medical practice of SSM Health St. Louis, with more than 600 health care providers in hospitals and medical offices throughout the St. Louis region. We have national and international experts, renowned for research and innovations in medicine.

The SLUCare Physician Group invites applications for a forensic pathologist position in the Department of Pathology. Minimum qualifications include MD/DO, BC in anatomic pathology and BC/BE in forensic pathology. The primary service responsibility is at the St. Louis City Medical Examiner's office. Teaching medical students, residents, the forensic pathology fellows and representatives of law enforcement is a very important part of the work of this position. Applicant must obtain a permanent Missouri state medical license prior to employment. Academic rank at Saint Louis University School of Medicine and salary will be commensurate with qualifications and experience.

Interested candidates should send a cover letter, curriculum vitae, and reference list of at least three people to:

Katherine J. Robbins, M.D.
Interim Chair of Pathology
Saint Louis University School of Medicine
1402 S. Grand Blvd.
