

NAME 2026 ANNUAL MEETING

Evaluation and CME Application Workbook

- You must pay a fee to apply for CME credit. If you did not pay for CME when you registered for the meeting, please contact Tara Snethen at Tel: (816) 244-5160 or Email: tsnethen@thename.org.
- This Workbook has been provided to assist you in recording your attendance at sessions and your evaluation as to whether the sessions met the educational goals of the NAME 2026 Annual Meeting. **At the conclusion of the meeting, please use your Workbook to guide you in completing the PENNSYLVANIA MEDICAL SOCIETY ONLINE CME EVALUATION, which will be emailed to you the week of October 19th. If you do not receive the email by Monday, October 26th, please email Tara Snethen at tsnethen@thename.org.** It should take you less than 5 minutes to complete the online CME application. This booklet also clearly delineates scientific sessions that are eligible for *AMA PRA Category 1 Credit(s)*[™]. Events not listed in this booklet are NOT eligible for CME credit.
- To receive CME credit, you must answer ALL questions contained in the application. Do not skip any questions; "comments" are optional.
- Please evaluate each session as to how successfully it met the stated educational objectives of the meeting. If you did not attend a particular session, select "0" hours attended and "Did not attend" as the evaluation in the second column.
- **The deadline for submitting the online CME application is December 4, 2026**

CME Accreditation Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Pennsylvania Medical Society and National Association of Medical Examiners. The Pennsylvania Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

AMA Designation Statement:

The Pennsylvania Medical Society designates this live activity for a maximum of *30.0 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Educational Objective/Target Audience

The objective of the NAME 2026 Annual Meeting is to increase basic and applied pathology knowledge, focusing on autopsy and forensic pathology. The NAME 2026 Annual Meeting is designed to meet the participants' education needs in the physician competency area of Medical Knowledge, as defined by the Accreditation Council for Graduate Medical Education (ACGME) and the American Board of Medical Specialties (ABMS), and to support participants' lifelong learning towards a goal of promoting patient safety and improving patient care and is specifically targeted to forensic pathologists, medical examiners, coroners, death investigators, forensic administrators, pathology assistants, laboratory personnel engaged in forensics, and forensic scientists.

At the completion of the NAME 2026 Annual Meeting, participants should be able to:

1. discuss medico-legal death investigation protocols;
2. describe regulations and competencies for medical examiners;
3. discuss the forensic investigation of accident- and trauma-related death;
4. discuss forensic science approaches to investigation of domestic violence and homicide; and
5. discuss forensic science approaches to sudden death in children and adult populations.

This Workbook contains a consolidated list of sessions that are eligible for a maximum of *30.0 AMA PRA Category 1 Credit(s)*[™]. Visiting the exhibits is not an approved continuing medical education activity because of ACCME standards that are designed to prevent commercial bias. A maximum of 3.0 hours can be credited for viewing posters. The meeting program identifies those events that are not continuing medical education activities (such as social events, committee meetings, and meals) with the designation "NOT CME." If you have any questions about the CME eligibility of a session, please ask at the registration desk.

Overall Meeting Evaluation

My objective(s) for attending this meeting included: (check all that apply)

- ☐ Learning of the newest advances in autopsy and forensic pathology
☐ Learning about medico-legal death investigation protocols
☐ Learning about innovations in imaging technologies and radiology techniques as they relate to forensic science
☐ Learning about forensic investigation of trauma-related deaths
☐ Learning about forensic science approaches to investigation of domestic violence and homicide
☐ Learning about forensic science approaches to sudden death in children and adult populations
☐ CME Credit

Were your objectives fulfilled? ☐ Yes ☐ No
