# ABOUT OUR CONFERENCE

## ABOUT THE NATIONAL ASSOCIATION OF MEDICAL EXAMINERS

The National Association of Medical Examiners (NAME) is the national professional organization of physician medical examiners, medicolegal death investigators and death investigation system administrators who perform the official duties of the medicolegal investigation of deaths of public interest in the United States. NAME was founded in 1966 with the dual purposes of fostering the professional growth of physician death investigators and disseminating the professional and technical information vital to the continuing improvement of the medical investigation of violent, suspicious, and unusual deaths. Growing from a small nucleus of concerned physicians, NAME has expanded its scope to include physician medical examiners and coroners, medical death investigators and medicolegal system administrators from throughout the United States and other countries.

### WHY SHOULD YOU EXHIBIT AT NAME 2026?

The National Association of Medical Examiners (NAME) is the national professional organization of physician medical examiners, medicolegal death investigators and death investigation system administrators who perform the official duties of the medicolegal investigation of deaths of public interest in the United States. When you exhibit at the NAME Annual Scientific Meeting, you will showcase your products and services to approximately 600 forensic science professionals from around the world including pathologists, coroners, toxicologists, and many others in the field of forensic pathology and death investigation. By exhibiting, you can talk directly to the physician medical examiners and medicolegal death investigator community who use your products or services. You also will have the opportunity to increase your company's presence in Louisville, Kentucky through numerous sponsorship opportunities and promotional activities. Some of these opportunities include sponsoring the opening reception and dinner, several coffee breaks, and even the NAME luncheon. For more detailed information about sponsorship opportunities, see page 9.

## NAME FOUNDATION SILENT AUCTION

The NAME Foundation's (NAME-F) Annual Silent Auction returns in Kansas City! The NAME-F Silent Auction relies on donations from members, conference attendees, and exhibitors for a successful auction. We invite exhibitors to consider donating an item that would encourage lively bidding (ex: autopsy equipment (e.g. knives), forensic textbooks or other books, gift certificates, wine, art, local community items and nonperishable gift baskets). Your tax-deductible donation will directly support the NAME Foundation's philanthropic and educational activities to advance forensic sciences and recognize excellence in research. Items donated to the auction are tax-deductible as allowed by law. Consult your tax professional for guidance. [Deadline for auction items is October 1, 2026](#). For more information email Denise McNally at [name@thename.org](mailto:name@thename.org).
